# RECYCLING

Another opportunity to help offset your tuition fees!  
100% of what is collected will go directly towards  
your athlete's tuition!

## 3 Easy steps to \$\$

1. Collect Bottles and Cans - Collect only CRV (California Redemption Value) beverage containers and separate them by commodity type: plastic bottles, glass bottles, and aluminum cans.
2. Recycle at your local rePLANET. Go to [www.replanetusa.com](http://www.replanetusa.com) to find the location nearest to you!
3. Give the vouchers to your coach! (Don't forget to write your name and team on the voucher!)

**More information coming soon regarding contests between teams!  
Which team will win the BIG prize!?!**
