

The City of Santa Clarita and William S. Hart School District present,
In Conjunction with the Los Angeles Volleyball Academy . . .

The 1st Annual

Foothill Invitational

High School Tournament & Festival

August 10-12, 2012

The City of Santa Clarita and the Los Angeles Volleyball Academy (LAVA) have teamed up to launch what we expect will grow in the near future to be one of the biggest and best high school summer tournaments in the country.

With a **two-tiered divisional structure**—an Invitational Division and a Festival Division—there is something available for every program (fledgling or full-fledged). The **three-day tournament** will be held at **school sites** across the Santa Clarita Valley, all within minutes of one another to make transportation easy.

Hotel packages will be available at affordable rates, with dining and entertainment discounts also offered to ease the burden on both (1) high school program budgets and (2) the wallets of player parents and families. We're looking for the event to be more than just a high school volleyball tournament; bring your team families along and make an extended weekend out of it!

Santa Clarita is home to Six Flags Magic Mountain (a premier roller coaster theme park), Hurricane Harbor Water Park, six professional golf courses, and Mountasia Family Fun Center, not to mention just 30 minutes from Universal Studios!

Interest is already through the roof, even prior to our official announcement, so contact us to (1) reserve your spot in the Festival draw or (2) request admittance into the Invitational!

Festival Division:

- For any and all high school programs
- Open entry on first come, first serve basis
- Maximum field of 32 teams in first year

- ✓ Approved and Coordinated by City of Santa Clarita
- ✓ All Play Sites Within Minutes of One Another
- ✓ Operations by Non-Profit LAVA Foundation
- ✓ Competitive Tournament with Pedigreed Teams
- ✓ Cost Efficient— Hotel Packages Available
- ✓ Discounts on Local Food, Entertainment
- ✓ Make It a Weekend with the Family!

Invitational Division:

- For programs with verified history of success
- Entry by invite or petition acceptance only
- Maximum field of 16 teams in first year
