## What is the Foothill Invitational?

The Foothill Invitational is a two-day summer indoor volleyball tournament for high school programs with both varsity and junior varsity divisions. The tournament is held annually in Southern California in close proximity to the Six Flags Magic Mountain Amusement Park.

There are three divisions offered in 2017: two Varsity Divisions (Open and Club) and one Junior Varsity Division (for junior varsity, frosh/soph, or freshmen teams).

The tournament does not count towards the official season record of teams competing; varsity programs get quality competition early on while being able to tinker with lineups, give players opportunities, etc.

The Junior Varsity Division also gives coaches the chance to look at their player pipeline in action, and to develop those players with lots of matches early in the season.

## Why Should You Sign Your Team Up?

Our first five years were strong successes, with teams traveling from all over California and as far away as Arizona to compete. Our 2015 and 2016 events featured multiple State Champions and Finalists, multiple CIF Champions and Finalists, multiple State and CIF playoff teams, and multiple League Champions.

The format is once again round-robin plus challenge matches. Each team is guaranteed a multitude of games and each player receives a tournament t-shirt. Winners also receive trophies and individual player medals, with additional medals for All-Tournament Selections.
